PROFILE

I am currently studying Computer Science and Sustainability Management in school and would like to use my knowledge from those areas of study to help create more sustainable businesses through technology. I am also very interested in cyber security and would like to work in that field to create more secure businesses.

PROFESSIONAL EXPERIENCE

Vice President of Marketing and Bike Mechanic at Chainlinks Chicago, IL Nov. 2018 - Present

Working for an entirely student led organization allows for many leadership roles. Manage all marketing including creation of social media posts and updating the website with relevant information about the shop. Certified bike mechanic who fixes customers bikes in a timely manner and rents out bikes from the rental fleet maintained at the shop.

- Maintaining a social media presence
- Creating a functional website with relevant information
- Overseeing all marketing
- Servicing bikes and managing rental bikes

Loyola University of Chicago Orientation Leader Chicago, IL 2018

Leading the first-year student orientations for Loyola University of Chicago. Tasks included leading student groups, interacting with parents and guests, and performing administrative tasks. Working as a team was crucial to providing a positive first experience for students and their guests.

- Leading student and parent groups through orientation sessions
- Administrative work preparing for Orientations
- Teamwork and collaboration with the entire Orientation staff

Elementary Band Instructor for ISD 623 Roseville, MN 2016-2018

Teaching small lesson groups of students from 4th-8th grade to read music and play their instruments. Gained experience teaching, planning lessons, leading a large group in rehearsals, and communicating with other teachers about lesson goals for the students.

- Teaching small student groups
- Creating lesson plans and schedules
- Guiding large group rehearsals
- Time management with student groups and following a rigid schedule

Sales Associate at Banana Republic Bloomington, MN Feb. 2017 – Nov. 2017

Interacting with customers to give them the best in-store experience possible. Stocking clothing in the back room and bringing up items to fill the sales floor were common tasks. Working at the cash register and helping customers to complete their purchase. Team communication on the floor is crucial for a fluid customer experience.

- Customer Service in person and over the phone
- Back-stock and Shipment cataloging
- Teamwork and Communication

VOLUNTEER

- Minnesota Boychoir Volunteer Saint Paul, MN 2014-2020
- Conductor of Roseville Jazz Ensemble 3 Roseville, MN 2016-2018
- Church of Corpus Christi Retreat Leader and Educator Roseville, MN 2012-2018

EDUCATION
